**If you have any of the following symptoms,
Do not clock in and notify the DON
immediately:**

- **Fever**
- **Night Sweats**
- **Sneezing or Runny Nose** (*together let's determine if it's allergies or something else*)
- **Cough and/or Shortness of Breath**
- **Redness, swelling or discharge of your eyes**

Thank you, Caraday wants to help protect you, your family and our residents.
