Wurzbach Nursing & Rehabilitation provides skilled nursing, long-term care, and secured memory care services. Located in San Antonio, Wurzbach is part of Caraday Healthcare, a leader in skilled nursing, delivering integrated and coordinated care along the long-term and post-acute care continuum across Texas.

Russell Wright first started working at Wurzbach Nursing and Rehabilitation in October 2001 as the Director of Admissions and became the Administrator in November 2006.

Russell is dedicated to helping residents and their families navigate the hurdles of long-term care. In particular, he enjoys helping them discover options in housing and nursing care that can match their needs to their personal situation.

Born and raised in Central Kansas, Russell traveled the nation working for arts organizations like the Kansas City Symphony, the Kennedy Center for the Performing Arts in Washington DC, TV Ontario in Toronto, the Charlotte Symphony in North Carolina, and the Saint Paul Chamber Orchestra in Minnesota before landing his position with the San Antonio Symphony. At that point, he fell in love with the South Texas weather and culture, and decided to make San Antonio his home.

In his free time, Russell loves exploring America's vast coastlines and has visited over 150 lighthouses.
