

Linda Hoyle, LNFA

Administrator, Western Hills Nursing & Rehabilitation

Western Hills Nursing & Rehabilitation is a premier provider of short-term rehabilitation and long-term care with on-site physical, occupational, and speech therapy. Located in Temple, Western Hills is part of Caraday Healthcare, a leader in skilled nursing, delivering integrated and coordinated care along the long-term and post-acute care continuum across Texas.

Linda Hoyle is the Administrator at Western Hills Nursing and Rehabilitation, responsible for the daily operations of the community. As the Administrator, Linda ensures proper care of residents, oversees team members, manages finances, and provides oversight to comply with all regulations.

Linda comes from a family of long-term care professionals and strives to ensure that both residents and team members have the most optimal experiences while at Western Hills.

Over her 15-year career in long-term care, Linda worked as a business office manager as well as in human resources, medical records, and other positions.

After earning a Bachelor's of Science in Business Administration, Linda received her Master's degree in Healthcare Leadership from Western Governors University.

In her free time, Linda enjoys spending time with her two children and four dogs. Linda loves to craft and especially creating custom apparel and home décor when time permits.
